Hi Max-

I noticed that you summoned Jim Hanchett for the [REDACTED] case scheduled for trial today (9/13/11) and wanted to let you know that Jim is not at the lab today as his appendix burst a couple of weeks ago. If you need someone to testify to his findings, both Rebecca Pontes and I are available as we both are already on call for Holyoke today. Just let one of know if you think we'll be needed so we can quickly double check his notes and data. Thanks.
